FUTURE LAB is the new place of attraction proposed by SIAL Paris 2018 to unveil the food trends of tomorrow. Within the FUTURE LAB, the prospective space RISING START-UPS aims to present the most innovative European rising start-ups!

If you are developing a **product / service / equipment / process / packaging**, FUTURE LAB RISING START-UPS is the ideal place to **showcase your innovation!**

WHICH START-UPS ARE ELIGIBLE?

- In the concept / development phase
- <2 years of existence
- In the agri-food sector

WHAT ARE THE BENEFITS?

- A dedicated space in the heart of the exhibition
- A public speech offered: a pitch at **SIAL TV**
- Visibility to **160,000 visitors and 7,200 exhibitors**
- A unique opportunity to interact with entrepreneurs, investors, potential clients and journalists!
= Everything to feed useful synergies and network!

Do you want to be one of the 50 most innovative European rising start-ups in the agri-food sector and participate in the world's largest exhibition of food innovation?
