ARKITEKTAR Í EVRÓPU 2016

A vibrant, high-angle photograph of the Colosseum in Rome, Italy. The ancient amphitheater's iconic tiered arches are clearly visible, showing signs of age and weathering. In the foreground, a lush green lawn is dotted with people and several horse-drawn carriages, suggesting a popular tourist destination. The sky is a clear, bright blue, and the scene is framed by large, bright green leaves in the upper right corner. The overall atmosphere is sunny and lively.
